

Standard Roll Up Stands

Model#: CRS100 series

Clamp top bar

Optional hard case

CRS100 series come in several widths and this quality stand is the most economical heavy duty rollup banner stand that provides fast and easy setup. Comes complete with its own padded carrying bag. Ideal for door signs, university signs, product launch lunches, community displays and entrance signage. While standard height is 77", we can custom make the pole at any height you need up to 86". Although many roll-up stands may look similar, they pale in comparison to our roll up's quality. Comes with one year manufacturer's warranty.
