

Premium Roll Up Stands

Model# CRS500 series

Optional end cap

Clamp top bar

CRS500 series come in several widths and this quality stand is built to allow repeated use with simple graphic changes. Comes complete with its own padded carrying bag. Designed for heavy duty use over long periods of time. The wide flat base makes this stable banner stand. This roll up banner stand features a stable design with adjustable feet for uneven surfaces. The materials used in this display stand have been carefully chosen for lower weight, high quality and great usability. While standard height is 79" we can custom make the pole at any height you need up to 86".
